

Progressive Baby Shower Honors Four

A progressive baby shower honoring four mothers-to-be was given Friday, Sept. 25 on Ladeene Ave. The hostesses, Mmes. David Voorhees, Joe K. Russell, Gilbert Shirey and Jack Dean, entertained in their homes honoring Mmes. Charles Pernu, Bernard Frank, Donald Griskonis and Charles Crandall.

The party gathered at the home of Mrs. Voorhees and punch was served. Mrs. Charles Pernu was presented with her gifts.

The group then went to the Russell home where Mrs. Frank was honored. A game was played and prizes presented to the winners, Mmes. Frank Adams and Dale Miller.

Another game was played at the home of Mrs. Shirey and the winners were Mmes. Adams and Donald Griskonis. A pink and blue decorated wagon contained the gifts for Mrs. Griskonis.

Mrs. Crandall opened her gifts at the Dean home. They were placed in a blue bassinet. The four hostesses served dessert from a table decorated with pink roses and tapers. A pink and blue umbrella with streamers was suspended above the table.

Neighbors attending the party were: Mmes. Robert Evans, Dale Miller, Frank House, William Mossman, Robert Smith, Frank Adams, and Roy Isham.

Special guests were Mrs. Crandall's mother, Mrs. Frank Ball of Ventura; Mrs. Frank's mother, Mrs. Mary Binger of Lawndale, and Mrs. Pernu's sister, Mrs. Gordon Bailey of Torrance.

Y-Teen Clubs Organized; Planning Year's Program

With twelve clubs started and plans for six more, the Torrance Y-Teen clubs have started their membership drives and are already busy planning the year's events.

Y-Teen clubs are open to all girls regardless of race, religion, or creed as long as they are in the seventh through twelfth grades.

The clubs are democratically run by the members with adult advisors and professional help from YWCA staff members.

The Y-Teen goals are: to grow as a person; to grow in friendship with people of all

racess, religions and nationalities; and to grow in the knowledge and love of God.

Throughout the year the girls have program and projects which deal with the six program emphases. These emphases, with samples of each are: the arts, vocation, personal relations, health and recreation, religion, and social responsibility or citizenship.

Besides their many club events the girls have a chance to take part in all-association events such as an annual dinner, summer conferences and officers' training. Through

World Fellowship projects they learn of the YWCA's in the countries throughout the world.

The groups are formed to meet at the following times:

Torrance High: Phi Dels and Torrettes (seniors) 3 p.m. Wednesdays; Silhouettes (juniors) 3 p.m. Tuesdays; Hi Toppers (juniors) 3 p.m. Fridays; Del-tas (sophomores) 7 p.m. Wednesday evenings. The new freshman club will have an orientation meeting Thursday, Oct. 1 at 3:15 p.m. at the YWCA, 2320 W. Carson St. All freshmen girls at Torrance

High are invited to attend.

Northrop IT Meets Oct. 3

With more than 500 men and women expected to attend the festive affair, the Northrop Institute of Technology will hold its third annual HOON-tah, an outdoor party for students and alumni, Saturday afternoon, Oct. 3, at Centinela Park in Inglewood.

Activities start at 11 a.m. with a barbecued beef luncheon to be served, states Clyde Burkhardt, retiring president of the NIT Alumni Association under whose auspices the affair is being held. During the afternoon a baseball game, sack races and other sports will highlight the program. This field day is held every

year in order to acquaint the undergraduates with the alumni, states President James L. McKinley of the Inglewood engineering college. The unusual name HOON-tah was given to the event as it is an Americanized spelling of the Spanish word junta, meaning meeting or get together.

Anniversary

Mr. and Mrs. John Muhleck, 1645 Juniper Ave., entertained Mr. and Mrs. Sam Broos at dinner on Sunday. The event was in celebration of the 48th wedding anniversary of Mr. and Mrs. Broos.
